

## Directions to the Dorset Dance Tunes Workshop and Concert Benjamin Britten Hall, Stuart Centre, Sherborne Girls

A new Arts Centre is under construction at Sherborne Girls, so access is reduced and the parking area outside the Stuart Centre (building 28) is not available. However, participants will be able to use the contractors' temporary tennis court car park. Take the Sherborne Girls White Lodge entrance (red arrow) off the A30 and then follow the blue and white signs to "Morgan Sindall parking only". From there, follow the path round the tennis court to the Stuart Centre (Benjamin Britten Hall). The entrance to the Hall is now at the rear of the building. Alternatively, there is parking at the Oxley Sports Centre. Walk through the arch and keep to the left side of the playing fields. Please do not use the visitor parking outside the main entrance. There will be someone in the school office should you require further directions.
